Indoors

- How is it going?
- Everything has gone well so far.
- Didn't have too many people at the first shoot probably because the tickets came out quit late.
- Maybe have the tickets automatically come out.

Competitions (5th and 29th May)

- Send an email to UCLan to confirm everything can go ahead (29th May).
- 15th – competition to get qualifying scores for BUCS outdoors – just need to advertise on FB.
- 15th – 6 medals – 2 fun prizes – need to decide what for – first x/10 - Best frame/boss hit? – tictactoe winner – hit or miss winner – first balloon hit – darts face highest score – guess who?

Equipment and Locks

- Locks – the outside barn lock – do we buy a new one – it's starting to rust – will need to be changed at some point – do need to change the code – see if they have a good lock at wilco.
- Might need to talk to facilities about the door to the barn.
- Equipment – when LZ went to get arrows a lot were damaged – other things were also not in great condition – might need to get a fair amount of new stuff – make a list of things when doing the inventory and set a budget.

Roses

- Thinking about getting proper medals for the people who did well in Roses.
- About £2-3 each
- Medals for top 3 from individual (from York and LUAC combined) and the three people in the team event.

Training

- Vlada coming this Friday and 22nd – going to try come on other Fridays as well.
- Nye – don't know anything yet – JP will have a chat later this week.

Safe guarding

- LZ received first welfare email – there was updates around safe guarding - some confusing around what some of it means.

Facebook

- New exec group chat that people need to join.
