Motion:

Officer Reports

- LZ – Merlin not replied, will call them back. Will start equipment organisation soon
- SM – Up to date on money – coaches payment changing, will wait until end of term to pay Vlada – Jacob may be buying kit on behalf of the club
- JP – handed over to AP – Prepared today's session plan
- AP – updated website
- KH – been looking into the e-leagues and competitions – currently organising the NEUAL membership

Webmaster vote

- Adam Pettigrew has been voted in by unanimous vote to be Webmaster

Christmas dinner

- We need to think where and when before all places are booked
- Last year we went to the Water Witch
- Other options, White Cross, Merchants
- Look into booking Merchants – do a FB post to check numbers

Competition Ideas

- JP wants to run an in-club competition for the final session of the beginner's course (Week 8)
- Let them experience a proper, formal competition – maybe ask Anna to judge

Merlin/minibus bookings

- Need dates from Merlin
- Problem with the LUSU minibus drivers – Probably won't be able to take a minibus – could see if there's enough drivers to take cars
- Will delay Merlin trip until next term – second week of Feb?
- Also need to do kit talks – one at the end of this term and one a week before merlin next term
- Could potentially look into Northern Archery or online consultations with merlin

Competitions

- Deadline for Morecambe Bay Archers e-league is 6th Dec
- BUCS e-league is now closed – KH did email as form closed early but may not have enough for a team anyway

AOB

- Need to check the equipment stored in the basement of the Sports Centre

Meeting adjourned – 6:50pm
